

You are invited to the Arizona State University and University of Arizona Student Conference on Renewable Energy Science on April 19 & 20, 2012.

This is a student-focused conference exploring renewable energy research activities at both universities in solar fuels, solar electric, and energy policy.

The conference will feature student talks and poster presentations, representing the broad range of activities on both campuses. On Thursday, April 19 there will be hors d'oeuvres served during the poster session, followed by an industry mixer in the evening. The second day, Friday, April 20, includes breakfast, a student-led panel discussion and awards presentation.

Post docs, undergraduate and graduate students are welcome to participate in the poster session that is scheduled for Thursday, April 19 from 5:00 to 7:00 pm. More information on how to submit posters is online at [www.asulightworks.com/resources/events.html](http://www.asulightworks.com/resources/events.html).

Register online to attend. Seats are limited.

## ASU and UA Student Conference on Renewable Energy Science

**When** April 19 & 20, 2012

**Where** ASU Memorial Union, Turquoise Room, Tempe campus

**Time** April 19: 12:00 - 7:00 pm  
April 20: 7:00 - 4:30 pm

RSVP by Monday, April 16, 2012 online at [www.asulightworks.com/resources/events.html](http://www.asulightworks.com/resources/events.html)

The University of Arizona

Conference sponsored by ASU LightWorks, Global Institute of Sustainability, Quantum Energy and Sustainable Solar Technologies, ASU Energy Club, Water Sustainability Program, Center for Interface Science: Solar Electric Materials, Institute of the Environment, UA Renewable Energy Network.

Financial support to offset some of the travel costs for selected student participants is provided from the TRIF Initiative for Water, Environmental and Energy Solutions and the UA Renewable Energy Network.
